KLPS4-KIDS

ENGLISH

General Instructions

It is important to establish a playful and relaxed rapport with the children to be assessed, via some simple initial conversation among topics of interest to the child (see example below). The child should perceive the following assessment almost as a game to be enjoyed rather than a severe situation. It is important to read ONLY the sections in boxes aloud slowly and clearly.

INSTRUCTIONS: *Ensure to maintain the social distancing as much as possible during this exercise and remind the child to only point using the provided sanitized Pencil*

Section 5a. Oral passage reading

Show the child the story in the student stimuli booklet. Say,

Start the timer when the child reads the first word. Follow along with your pencil and clearly mark any incorrect words with a slash (/). Count self-corrections as correct. **Stay quiet**, unless the child hesitates for 3 seconds, in which case, point to the next word and say “**Please go on.**” Mark the word not read by the child as incorrect.

At 60 seconds, say “**Stop.**” Mark the final word read with a bracket (]).

Early stop rule: If the child reads no words correctly on the first line, say “**Thank you!**”, discontinue this exercise, check the box at the bottom of the page, and go on to the next exercise.
